### Monthly Day Lot Parking Passes

Monthly passes are available for Day Lots 1-3 for \$30 a month.

Passes can be purchased at pay stations in the Day Lots or at Municipal Hall. The RMOW also sells passes for the [Conference Centre and library underground parking lots](#).

- ▶ Day Lot Passes are issued per vehicle and are based on the license plate number. Passes may be transferred once if a pass holder buys a new vehicle or is assigned a new license plate.
- ▶ Passes are non-refundable.
- ▶ Pass renewal is at the discretion of the pass holder. As no personal information is collected for pass transactions, neither the RMOW nor Whistler Blackcomb will contact pass holders when passes expire. Passes may be renewed at any time at Day Lot pay machines or at Municipal Hall during regular office hours.

- ▶ Passes do not guarantee a space. Typically, there are five to seven days per year when the Day Lots are at capacity. Lot attendants will work with pass holders to find alternative parking (as available) at no cost to pass holders. Drivers who are looking for 24-hour/365 day parking access may wish to purchase a dedicated underground space from the RMOW or a private operator.
