

17th International Conference on
RF Superconductivity
Whistler Conference Centre
Sept.13-18, 2015

Second Announcement

Dear Colleagues,

Feb. 22, 2015

We are pleased to inform you that Abstract submission upload is now available for SRF2015. The 17th International Conference on RF Superconductivity will take place from September 13-18, 2015 in the Whistler Conference Centre in Whistler, British Columbia, Canada. SRF2015 proceedings will be published through JACoW with the conference database and uploads managed through JACoW's SPMS utility. Details for uploading your abstracts can be found on the conference web site at <http://srf2015.triumf.ca/abstracts.html> . The abstract submission closing date is June 1, 2015.

We are also pleased to invite our industry partners to register as Exhibitors and/or Sponsors for the SRF2015 conference. Details of the exhibition and sponsorship opportunities can be found at <http://srf2015.triumf.ca/exhibitor-opp.html> and <http://srf2015.triumf.ca/sponsor-opp.html> respectively. Participating companies are urged to book early as space is limited.

Following tradition, SRF2015 tutorial sessions will be held prior to the conference from Sept. 10-12 at the Delta Whistler Village Suites. Some financial support to help students attend both the tutorial and the conference is available. Details of eligibility and the application process are given at <http://srf2015.triumf.ca/student.html> .

The next announcement will be March 15 when we open SRF2015 for participant registration.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Laxdal'.
